Weak, Irritable, Tired

"I Was No Good on Earth."

Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease. "About one year ago I was afflicted with nervousness, sleeplessness, creeping sensation in my legs, slight palpitation of my heart, distracting confusion of the mind, serious loss or lapse of memory. Weighted down with care and worry. I completely lost appetite and felt my vitality wearing out. I was weak, irritable and tired, my weight was reduced to 100 lbs., in fact I was no good on earth."

A friend brought me Dr. Miles' book, "New and Startling Facts," and I finally decided to try a bottle of Dr. Miles' Restorative Nervine. Before I had taken one bottle I could sleep as well as a 30-year-old boy. My appetite returned greatly increased. When I had taken the sixth bottle my weight increased to 170 lbs., the sensation in my legs was gone; my nerves steadied completely; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Restorative Nervine is a great medicine. I assure you." Augusta, Me. WALTER R. BURBANK.

GRAND LODGE LOYAL ORANGE INSTITUTION

United States of America. FRANCIS C. CAMPBELL, N. W. G. M., Minneapolis, Minn. ROBT. W. JOHNSON, Supreme Secretary, Troy, New York. M. L. ZOOK, 1615 Howard Street, Omaha, Neb., Organizer for department of Nebraska, Iowa, Kansas, Missouri and Colorado.

ORANGE PRINCIPLES

On behalf of the Loyal Orange Lodge of the United States of America with a view to correcting the false impression that sometimes endeavoring to convey to the minds of men who are unacquainted with Orange principles, are these few statements made: The Loyal Orange Institution is a brotherhood and sisterhood, bound by three ties—Justice, Truth and Righteousness. It has no hidden aims. It is Fraternal and Benevolent—assisting and protecting members while living and their widows and orphans when they are removed by death. It upholds the right of private judgment—the untrammelled freedom of opinion; believes the public schools are an essential safeguard of the state, and should be kept free from ecclesiastical or sectarian control and that persons disloyal to the government—who hold a mental allegiance to the pope of Rome—should be rigorously excluded from teaching therein.

It believes primary allegiance is due to the government which protects the lives, liberties and property of its citizens, and that ecclesiastical authority should not under any circumstances, be permitted to meddle in the affairs of state, and that coercion of a citizen in the exercise of his or her right of franchise, under the guise of religious or spiritual authority should be punished as a crime against the state.

That it is the duty of every citizen to defend the lawfully constituted authority and institutions of our country against corrupt and inimical influences, as well as against armed assaultants, to the end that our glorious freedom be protected and transmitted unimpaired to posterity.

It encourages habits of frugality and industry among its members, and is proud to boast that Orangemen seldom become a public charge or accept pauper bread.

It believes in the restriction of immigration and the extension of time for the naturalization of citizens, and that the public mind shall be held for actual American citizens who become settlers.

The Loyal Orange Institution of the United States of America has certain requirements for membership: That a man shall be an actual American citizen, having complied with the laws of the United States with regard to naturalization, and without a mental reservation.

That the applicant shall be a Protestant, and also that his parents and wife shall be Protestants.

That he shall be thrifty and successful in his business; honorable and truthful in his dealings with his fellowman, and shall be known as a law-abiding citizen.

That he will endeavor to give his children or any children under his charge at least a good common school education, being careful to avoid all popish doctrines, and that he shall be in sound health at the time of making application.

That he shall be a man where a man was born, so long as he meets the foregoing requirements.

Those are the qualifications required of every applicant to the order, and we do not think that any patriotic American order can offer a better array of principles and teachings.

J. O. U. A. M. A Loyal, Patriotic Organization, Fraternal and Beneficial, Strictly Non-Partisan and Non-sectarian.

DECLARATION OF PRINCIPLES. The National Council of the Junior Order of United American Mechanics in annual session assembled declares: That the constant landing upon the shores of the border of ignorant, vicious and lawless criminals of the Old World should be viewed with alarm by the loyal and patriotic citizens of this country.

We affirm a warm and hearty welcome to all immigrants who desire to better their condition and become a part and parcel of our nationality, but we have not one square inch of room for the anarchist, the socialist or nihilist, or for any one who is not willing to bow to the laws of the land which is powerful enough to shield and protect them as well as us, in the exercise of all civil and religious liberties.

We affirm our devotion to the public school system of this country. We believe in compulsory education, and that all teaching in our schools should be in the English language, to the end that future generations may be able to take their place in the ranks of our country's workers, and to preserve the customs and manners of Americans.

We guarantee to every man the liberty of worshiping God according to the dictates of his own conscience, and would give every assistance to protect all in the exercise of his liberty, but we object strenuously to the interference of any church, no matter under what name it may exist, in the temporal affairs of this country.

We believe that the Bible should be read in our public schools; not to teach sectarianism, but to inculcate its teachings. It is the recognized standard of all moral and civil law; we therefore believe, that our children should be educated in its teachings, but that no dogma or creed should be taught at the same time.

We believe that patriotism and love of country should be instilled into the hearts of children, and that, with the words of "Mother, Home and Heaven," our children should be taught that our flag is the symbol of all that makes a "home" for us. We would place a flag upon every public school in our land, and a Bible within, and the object lesson therein set forth should be a beacon light in every storm which threatens to engulf us.

In this noble and patriotic work we ask the cordial and hearty co-operation of all good citizens. In this grand work we need the helping hand of all organizations holding the same views and principles. We have no time for jealousies and bickerings, but with a united front we should march forward, shoulder to shoulder, remembering that "United we stand, divided we fall."

In the strictest sense we are a national political organization, but we oppose with unanimity the slightest taint of partisanship. Our country is our motto, and we keep this motto steadily before us. We are confident that there are great and powerful enemies within our midst, requiring the strictest surveillance of all who are at heart, and in deed Americans. We, as members of this Order, affirm our allegiance to the objects of the Order as paramount to any particular affiliation, and urge upon the membership harmonious, united and intelligent action in carrying out the principles.

OBJECTS OF THE ORDER. First—To maintain and promote the interests of Americans, and shield them from the depressing effects of foreign competition.

Second—To assist Americans in obtaining employment.

Third—To encourage Americans in business.

Fourth—To establish a sick and funeral fund.

Fifth—To maintain the public school system of the United States of America, and to prevent sectarian interference therewith, and uphold the reading of the Holy Bible therein.

THE QUALIFICATIONS FOR MEMBERSHIP. Required of an applicant shall be: A white male person born in the United States of North America, or under the protection of its flag.

Of good moral character. A belief in the existence of a Supreme Being as the Creator and Preserver of the Universe.

Opposed to any union of church and state. Free education and the American Public School system.

Between 18 and 50 years of age for beneficial membership; over 50 for honorary membership.

The word "Junior" in the title has no relation to the age of members. It was adopted to distinguish the Order from the U. A. M., and has no other significance.

Nor is the word "Mechanic" to be construed literally; it refers in no manner to artisans, but embraces every pursuit.

ORGANIZERS WANTED. We want a Council of the Jr. O. U. A. M. in every city, town and village in the United States.

It is the leading American patriotic and beneficial organization, and the strongest and one of the oldest, confined to native-born.

It is only necessary to make its objects, principles and workings known to easily secure enough charter members to start a Council. A liberal premium will be paid to those organizing a Council. For full particulars address: H. A. KIRBY, National Councilor New Brunswick, N. J.

UNITED AMERICAN MECHANICS. Its Organization and Principles—How to Become a Member.

We would respectfully call your attention to the fact that there is in this city a council of the Order of United American Mechanics, to which we would be happy to have you give a moment's thought, and if favorably impressed, would like your name proposed for membership.

The Order of United American Mechanics was organized in Philadelphia on the 15th day of July, 1845. Its first inception was for the protection of Mechanics and Workmen alone, and for a number of years none but operative mechanics and workmen were admitted to its membership; but the great interests of principles involved in its existence, caused a departure from that plan, and the Order has for years existed and exists today as an order of speculative mechanics, recognizing every one possessed of the birth requirements, who works for a maintenance either by hand or brain or both as eligible for membership, and numbers among its members men of every profession, and calling in life.

The objects of this order are to assist each other in obtaining employment; to encourage each other in business; to establish a sick and funeral fund; to establish a fund for the relief of widows and orphans and to aid members; and to aid members who, through Providence, may be incapacitated from following their usual vocations, in obtaining situations suitable to their afflictions. The membership of this order is composed of white male citizens born in the United States, or under the protection of its flag. This order has existed for nearly fifty years, and is at present, rapidly spreading throughout the United States. As an American born, and having the welfare of yourself and family at heart, as well as that of the nation at large, we would most heartily invite you to become a member of the U. A. M., as it is the only Order in existence founded especially to promote the interests, elevate the character and secure the happiness of the American mechanic and business man.

Therefore appeals to the head and heart of him who wields the pen as well as to him who swings the scythe or wields the sledgehammer of the mechanic. In its councils, a free discussion of principles relating to the fostering and care of the interests of individual members is permitted; but nothing of a political or sectarian character is ever allowed to be discussed. It has no affiliation with such institutions as Trades Unions, Knights of Labor, Sovereigns of Industry, or the like, and desires not to control either capital or labor, as it would be doing a gross injustice to many of its members, who are taken from both classes. The membership of the Order is scattered from Maine to California, and from all points comes the glorious news that the Order is gaining great strength in all jurisdictions.

An endorsement branch is also connected with the Order, both national and local, which insures those who seek its benefits, that they shall not leave a sum, which is in all cases substantially and promptly paid, to the dear ones, when death marks its members for its own.

It seems very strange indeed that the American does not feel inclined to become so peculiarly national in his ideas and associations as do the English, French, German, Irish, and other nationalities. Each and all of the foregoing have their peculiar national organizations, and take pride in same. But the American joins order after order, composed of a mixture of nationalities, and lets his own countrymen severely alone in the matter of secret and fraternal societies.

We would not belittle any of the existing secret beneficial associations. Far from it. They are a power for good in the community. But we do ask him who is to the manor born, to turn his thoughts to home and native land, so that he can, in the glad refrain: "Thou art my native land, I own thy fostering hand; Though far from thee I roam, Still thou art my home."

Americans, we of this Brotherhood appeal to you to aid us in this work we are now carrying on. You must either be for or against us. Choose quickly and let us show to the country that we truly believe in American principles, American industry, American protection and American government. Strikes riots and boycotting are terms too harsh to be applied to American Mechanics. Bonded together by promptings of patriotic affection, may this Order grow and progress, until every man who calls himself American can stand up and say in all sincerity, I own no man as master of my actions.
